

Twin Bar Lite

Bar mounted adjustable twin garden light (GU10)

The green finish shown here is more gloss than the eco finish we offer as standard.

General Information

The Twin Bar Lite can be utilised for uplighting bushes, small trees, statues and planters etc. or alternatively a wall for sign illumination.

The Twin Bar Lite features two fully adjustable heads allowing 360° rotation and 0-90° elevation, mounted onto a cross bar and can be inserted into the ground via two 145mm spikes.
